

Parent Checklist

- We have plans to attend Experience IWU: Parent Orientation
- We have discussed the importance of attending Turning Titan: Orientation and Registration with our new student, and he/she is planning to attend
- We have made sure that our student has contacted his/her advisor, and encourage him/her to meet with the advisor regularly.
- We continuously encourage our student to contact his/her advisor with any questions and/or concerns about academic majors, academic plans, registration, important deadlines, and any other academic issues.
- We have read and understand the Family Education Rights and Privacy Act (FERPA), and have discussed it with our student.
- We know when our student registers for classes, and have discussed our student's course decisions with him/her.
- Our student has shared his/her academic calendar with us, and we are aware of important events/deadlines.
- We have asked our student about his/her professors and the syllabus for each course.
- We know when our student's exams are over, and have discussed our student's results with him/her.
- We have discussed the various support services (Academic Advising Center, Career Services, Counseling Services, Health Services, etc.) available to our student on campus, and encourage him/her to utilize them.
