

Suggested Practice Interview Questions

The list below includes questions common to most interviews. Please feel free to ask any additional questions during the practice interview that you feel are beneficial to practice. You can dialogue with the student before the interview begins if they would like to gear the questions towards a particular area of interest.

- Tell me about yourself.
- Give me an example of a time when you did more than was required in your job.
- Give me an example of a project that you worked on with a team. What was YOUR role and contribution to this project?
- What accomplishments are you most proud of and why?
- Tell me about a time you had to resolve a conflict. How did you handle it, what was your role?
- Tell me of your weaknesses and what you are doing to work on them.
- What is your procedure for keeping track of items that require your attention?
- How do you determine if the work you do is a quality job? What are some ways you have improved the quality of your own work?
- Why are you interested in this position? (context required)
- Where do you see yourself in five years?
- Do you have any questions for me?
