Illinois Wesleyan University is:

a focused, academic community devoted to sparking the curiosity within every learner

so that  
students can:

**discover, refine, and live out  
their passion**

**ability to navigate and  
adapt in an  
ever-changing world**

**cultivating and  
perfecting  
multiple talents**

**the courage to take risks  
in pursuit  
of something new**

core set of skills to  
successfully respond  
to change

practice in assembling  
teams and leading peers

the desire to aim higher  
and exceed one's own  
expectations

a learning environment  
that mirrors today's  
workplace

a portfolio of work  
to showcase success

appreciation for divergent  
thought and practice

experiences that  
develop minds and  
open doors

purpose and  
accomplishment on  
a global scale

an atmosphere of  
acceptance and belonging
